To

The **NAMESPACE IT** Hiring Authority,

I'm writing here in response to your advertisement posted in job seeking group. Please accept my letter as my application for the position of **Laravel Developer**.

The position represents an opportunity to continue my career path. My technical skills in Frontend Development Framework VueJS & Server-Side Framework Laravel (projects in <http://bit.ly/2G2YSHQ>) appear to be well suited to your company's requirement.

If you are interested please contact me by sarjis.m.a@gmail.com. I am eager to talk about the contribution I could make to your team. I look forward with enthusiasm to an opportunity for an interview.

Sincerely,

Sarjis Muhammad Abdullah,
